After 14 years as the welcoming face of St. Alban's Mrs Wilcock is taking early retirement this summer. I would like to take this opportunity to say a huge thank you to her for all her hard work and commitment to our school and wish her every happiness as she starts the next phase of her life. We will all miss you.

Mrs C. Speakman

St. Alban's school have achieved another fantastic set of results at all key stages, building on the success of our 2016 results.

Despite the significant challenges of the new curriculum and testing our 2017 results are even better than ever.

Y1 Phonics screening: 80%

KS1 RESULTS

	READING	WRITING	MATHS
EXPECTED+	73%	73%	77%

Our key stage one results are broadly in line with national results but school tracking indicates that many of the children have made good or better progress from their reception baseline data

KS2 RESULTS

EXCEEDED			12%					
COMBINED RWM	SCHOOL: 77% NATIONAL: 61%							

(please note thresholds for exceeded at Ks2 in reading and maths have not yet been published)

Our KS2 results are higher than national average in all subjects, with our combined result of RWM being 16% higher than national results.

While academic achievement is given high priority in school, this is never at the expense of a broad and balanced curriculum for all our children.

In addition their emotional well-being and safety are paramount and the staff work tirelessly to support our children in all aspects of their development.

I would like to take this opportunity to thank all the wonderful staff at St. Alban's for the part they play in the education and care of the children of St. Alban's.

Mrs C. Speakman
