**Mrs C. Speakman**

Every year 1600 children in the UK will be diagnosed with cancer, most of these children will suffer hair loss and hats will become part of their everyday attire.

St Alban's are asking our children to take part in this year's **Silly Hat Day on Friday 12<sup>th</sup> May** for a donation of £1.

The money raised will be donated to Maddi's Butterflies to help them continue with the wonderful help they give to children and families by creating smiles and providing small wishes and holidays.

A quote from Maddi's Butterflies website:

“Quite simply, our main focus is to try and put a smile back on the faces of Children who are suffering pain and discomfort and may feel like they have little to smile about. We also wish to alleviate some of the financial burden on the Families of these Children by providing them with these gifts and treats.”

### Polite Request

Could you please refrain from looking through class doors and waving to your child/children at the end of the school day. It is very distracting for the children when teachers are giving information and handing out letters to go home with your children.

If this continues we will have no choice but to leave the gates locked until 3pm.

Also, please do not park your car near to the playground at playtimes and lunchtimes to wave to your children as this is a safeguarding issue.

Thanking you for your co-operation

Mrs C. Speakman
