Videos and Social Media

For safeguarding yours and other children please ensure that you and your children do not post photos or videos of other children on the internet or social media platforms.

Late Children

Please ensure that children are dropped off on time (08:45am) every morning. This ensures that your child does not miss the important start to lessons at the best time for them to take in the information. It also avoids interrupting lessons for the other children in the class, the teacher and avoids the interruption to the work of other staff.
