Mrs C. Speakman & Mrs D. Boardman

Good morning,

I am asking for your support in ensuring children and young people from your school take part here:

<http://www.childrenscommissioner.gov.uk/thebigfuture>.

It is crucial that I hear from children in every school and college, in every community, across the country. Without hearing from your students, their experiences, views and aspirations risk being missing from the national picture that will help shape future policy.

At a time of significant change for children and young people, it is more important than ever that their views are reflected in policy making. Through this survey, I can take the voices of your students directly to the centre of government.

As ever, thank you so much for your support.

Dame Rachel de Souza

Children's Commissioner for England
