OFSTED Report

We have sent out the final OFSTED Report from our recent Inspection.

We are now Rated GOOD in all areas.

I want to take this opportunity to thank you the parents, the pupils and the Governors. I also want to thank the wonderful staff at St Alban's who do such an amazing job educating and caring for your children. We are a real team here at St Alban's and I am very proud of everything we have achieved.

Attendance Legislation

Schools are now legally bound to report data monthly of any child that has had 15 days absence.

This notice is to inform parents that the information is being shared as part of a statutory duty to do so either directly or by way of our attendance policy.

Fireworks - Police Warning

Please see Information Letter about Fireworks from the Police below

Attendance.

Well done to the **Reception Year** who received the Attendance Award week. They had the best attendance in the school with **97.3%** attendance.

Dangerous Parking

On pickup there are cars being parked dangerously close to the school on Birley Street where most of the children and their families cross the road. Cars Registered HD58NEN and DN10PHV were unlawfully and dangerously parked fully on the pavement this week. For child safety do not park on the pavement or yellow lines outside school!

Dinner and Breakfast Club Payments

DINNERS need paying for on the day or at the beginning of the week in cash or by online SCOPAY payment. If any debt becomes substantial we will have to consider stopping providing a school dinner to the child. BREAKFAST CLUB sessions are payable on the day or at the beginning of the week in cash or by online SCOPAY payment. If any debt becomes substantial we will have to consider stopping the child attending.

Holidays in Term Time

The Government have recently made some significant changes to the law in school term. Consequently, if you take your child out of school on holiday in the school term time the school will refer you to the Local Authority for a penalty notice.
